### Zonta's Vision

Zonta International envisions a world in which women's rights are recognized as human rights and every woman is able to achieve her full potential. In such a world, women have access to all resources and are represented in decision-making positions on an equal basis with men. In such a world, no woman lives in fear of violence.

Dear Zonta Sisters,

Another year, WOW, last year sure went fast. I am sooooo excited to start a new year with all of you. We are adding two new members at this meeting and soooooo excited about those we will add throughout the year.

From my Heart, I wish to thank all who attended our banquet. It was amazing, beautiful and uplifting. Kudos to all who participated. I am so proud to be your outgoing and incoming President all at the same time. The toast from Linda was powerful, sweet and loving. Thank you Linda, if not for you I would not be where I am today. I will always be grateful and will never forget your kindness.

I am extremely proud of all who assisted with the bagging at Publix for the Hospital Fund. Zonta was the first to do this, and together we set a standard for others to follow. We also stood proud as we gave out over \$7,000.00 in scholarships for 2018. The banquet for the Z-Club was perfect in every way, and we are so proud of Z-Club, inducting 18 new members is unheard of...WOW!!! Thank you to all that made the above possible.

Be prepared to sign up for at least one committee; all must sign up for at least one team. The chairs for most teams have been chosen, so if you are interested in one of our Team Chair positions please let me know. We still have openings for a Chair, and Fundraising; contact Charlotte for more details if interested.

We have a speaker this month from Habitat discussing something that could affect all of us in good ways, or so I am told. We will also sign up and make decisions regarding the 4<sup>th</sup> of July Parade. We are in need of a convertible, truck or flatbed. If you know of any please let me know right away. We can walk but the Zebra may not make the entire walk....LOL....I'll check with her....LOL.

The board will be meeting to plan an exciting year for all of us. Being your President is a joy that words cannot express. Thank You, simply Thank You!

Yours in Zonta,

Charlotte

Zonta Club of Marathon has a new communication system. This will help us stay in touch with IMPORTANT INFORMATION AS IT COMES ALONG!!

This is a text messaging service which will allow for quick and efficient communication. Within the next week you will receive a text message similar to the one below. There is nothing more to do except to save the contact with the 'Zonta' name. That's it. Nothing more to do. Either Erin or myself can send out group text message. When you replay, you only reply to us.

Feel free to reach out to Erin if you have any questions 305-481-0367 (text works best).

PS: If Charlotte can use this system then non of you will have an issue.....
